Each of our workshops has a different team of teachers and your workshop's teaching team will be in your Student Welcome Packet!

All of our teachers have **Enhanced DBS checks, First Aid training and Safeguarding training on top of their performing arts training.** Our students safety is our top priority whilst they are attending our workshops!

Katie Harcourt is the director of Backstage Stars and is the **lead contact for all workshops.** Katie has many years of experience both performing and producing shows in some of the nation's top theatres including Sadler's Wells, The Royal Albert Hall and Birmingham Hippodrome! She can be found leading the dance aspect of our workshops as well as directing and producing the shows.
